## FOREST FIRE WARDEN'S REPORT

---

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose in reminding local citizens of the danger from such fires and how they can help prevent them. The following is offered with the respectful request for publication in your town report.

Sincerely,

WILLIAM H. MESSECK, Jr.

*State Forester*

### FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

Carelessness is responsible for 97 percent of all our forest fires. This is a serious indictment of our interest in our own welfare and that of our neighbors. In too many instances this carelessness results in the destruction, not of the careless one's own property, but of someone not even known to him.

Thoughtlessly thrown lighted cigars, cigarettes and matches from moving vehicles by hikers, hunters and fishermen; the careless burning of debris during hazardous periods, high winds or in dangerous locations; improperly extinguished camp or cook fires—all add up to the CARELESSNESS that means serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

It points to the need of eliminating CARELESSNESS so far as it concerns fire from our daily life. The rules are simple — your cooperation is earnestly solicited.

1. Be careful with fire in or near woodlands.
2. Be sure that all lighted material — cigars, cigarettes and matches — is completely out before discarding it. Use ash trays in autos.
3. Secure the required written permission to burn from your local forest fire warden when the ground is not completely covered with snow.
4. Insist that others be careful and comply with burning requirements.
5. Call the warden promptly when fire is detected and aid him to extinguish it.

Let's remember that FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT undertaking!

Cases active Jan. 1, 1954.....	17
Total number of admissions.....	79
Total number of nursing visits.....	1090
Transportation to Clinics, etc.....	12
Welfare and advising calls.....	540
Cases active Dec. 31.....	15

Well Baby Clinics were begun in June. The average attendance was six' for a period of half a year.

On June 30, the nurse attended the Clinic at Crotched Mt. Hospital, in Greenfield, N. H. The patients gave a demonstration of the treatment and progress courses given them. The Hospital welcomes visitors, and I do wish many of the towns people would go and see the wonderful work done here, not only in treating the patient physically, but aiding them to become self sufficient adults.

Mrs. Ruth Butler, R.N. of Northfield, Mass. substituted during the month of August.

At Christmas time used clothing and gifts donated by different organization<sup>s</sup> were distributed.

During the year two children attended the Mental Hygiene Clinic in Keene, and several have been regular patients at the Orthopedic Clinic at the Keene Hospital.

In closing I wish to thank the members of the District Nursing Council' and the people of the town for their assistance and co-operation.

Respectfully submitted,

PRISCILLA S. PUTNAM, R.N.

As the school nurse teacher for the town, I attended meetings at Rochester, on April 9, and the regional meeting in Keene on Dec. 17. The topic of discussion at Rochester was, 'Ringworm, It's Control and Treatment.' The nurse also attended the yearly nurses meeting at Manchester, N. H. on Oct. 14.

Three children of the grade school attended the Mental Hygiene Clinic in Keene, during the year.

The Cod Liver Oil Program, which is sponsored by the American Legion Post of town was started on the first of Nov. There are 70 children receiving the supplement to their diet.

This year new rules were put in effect concerning communicable diseases among the school children. After having a contagious disease the child may

not return to school until he has a release from his physician or the Local Health Officer.

At this time I wish to thank the School Board, the Superintendent, and the teachers for their cooperation and help.

Respectfully submitted,

PRISCILLA S. PUTNAM, R.N.

### CIRCULATION DATA

Juvenile	6,042
Magazines	1,974

527 new books were added during the year.

The new two volume History of Peterboro was purchased this year. Perhaps you would like to read it soon.

Several of our readers have expressed their interest by giving a book for our Memory Shelf. Please ask about this new project when you come to the Library next time.

The Library now has a historical department. During the year one of our patrons gave us a gallon oil can made by the Ashuelot Can Co. probably about 1885. Does anyone remember this little business? We have several more items of interest upstairs, including one of the first pipe organs made in America. An effort will be made in the spring to clean and rearrange the room so visitors will be welcome.

Respectfully submitted,

This amounted to \$213.56 for 66 separate funds. Your trustees have on deposit in their checking account \$628.99 representing the unexpended balances in amounts from \$5.00 to \$20.00 on 65 separate funds. All balances in excess of \$20.00 are on deposit in a common savings account—Cheshire County Savings Bank No. 47024—and this total is \$3,015.33 for 31 separate funds. The full income earned by each fund during the year was paid to the Town for the use of the Cemetery Committee, and the only balances retained by the trustees are amounts of income unexpended prior to 1953.

## ELLEN LAMBERT MURPHY MEMORIAL ASSOCIATION

### Report of the Playground Program for 1954

The Community Center and the American Red Cross co-sponsored a swimming training program for the children of Winchester and Ashuelot. The Red Cross paid for the instructor, Miss Shirley Hayes, who instructed the youngsters in the rudiments of proper breathing, the float, the Australian

Crawl, the side stroke and surface diving. Of the 92 boys and girls enrolled, 52 received certificates. The lessons were held at Forest Lake, and covered a period of six weeks beginning June 29.

The success of the program was due to the loyal cooperation of Mrs. Ruth Fuller, Mrs. Emma Tacy, Mrs. Evelyn Krause, Mrs. Jean Snow, Mrs. Ruth Lawrence, Mrs. Gladys Fancher, Mrs. Harry Palmer, Mrs. Mary Roy, Mrs. Elizabeth Byrne, Mrs. Marshall Sargent, Mrs. Thelma Gomarlo, Mrs. Jennie Girouard, Mrs. Elizabeth Bullard, Mrs. Edith Atkins, Mrs. Mary Adamski, Mrs. Alice Nickerson, Mrs. Dorothy Swett, Mrs. Doris Porter, Mrs. Herman Winter, Mrs. Adella Beaman, Mrs. Pauline Sawin, Mrs. Clarice Vaine, Mrs. Stella Fournier, Mrs. Madalene Frost, Mr. Cortland Putnam, Mr. Carl Grupe, Mr. Clifford Monroe, and Miss Katherine Judson who contributed their time and the use of their cars to transport the children to the Lake. The committee, Mrs. Alice Nickerson, Mrs. Edith Atkins, and Mrs. Madalene Frost, wish to express thanks to these people for their wonderful help; also to Mr. Walter Ryll, Sr., who provided the flutter boards at cost.

The Playground program opened July 5th at the Community Center. From 9:00 to 11:45 A.M. Monday through Friday, children from pre-school age to ten years of age enjoyed handicraft taught by Mrs. Frank Staples and Miss Geraldine Staples. They also participated in activities including marching, dancing, croquet, volley ball, wading in the pool, hiking and mountain climbing. They presented a water ballet, visited Mr. Luman Nelson's Museum, and enjoyed numerous other excursions.

The 10 to 16 age group met at 1:00. The boys, under the supervision of Mr. Edward Detour, assisted by Mr. Thurston Thompson and Edward Flory, participated in volley ball, softball, bowling, archery, badminton tournaments and golf practice. The girls, under Mrs. Staples and Geraldine studied weaving, mat braiding, crocheting, embroidering, making artificial flowers, clay modeling, soap carving and portrait sketching in charcoal. Under Miss Mary White they studied good grooming, dramatics, pantomime, etiquette, ballet, tap, interpretive, folk and ballroom dancing. They enjoyed the same sports as the boys. Together this group planned, advertised and served refreshments for three Street Dances, which proved enormously successful, and provided fun for adults as well as for the youngsters.

We are grateful to Mr. and Mrs. Albert Mitchell who provided the music for the dancing; to Mr. George Brown who lent his loud speaking equipment; and to Mr. Walter Delvitte who lent his truck as a platform for the orchestra.

For the second year, The Ellen Lambert Murphy Center has sponsored free dancing classes. These classes begin in September and continue through May. Thanks go to Miss White and Mrs. Mitchell who have made it possible to have this constructive program for our youth.

For Murphy Field Day the boys and girls designed and made two floats which they rode during the parade. The girls acted in and directed the com-

edy "The Hole in the Sock," presented on the stage of the Community Center after the banquet. They also held a beauty contest, which Miss Patricia Gregory won on the basis of charm, poise, talent and posture.

Approximately 80 youngsters participated in the summer dancing classes, and the four who showed the greatest effort and improvement were Arnice Mitchell, tap; Carolyn Holm, ballet; Carolyn Grenda and Dolores Sosnoski, ballroom and square dancing. These winners were given a trip to see the Ballet Russe at the Opera House in Boston. Sincere thanks go to Mrs. Albert Beaman for the beautiful job she did in playing the piano for the dancing classes.

Every Wednesday morning a children's movie was shown. The A. C. Lawrence Leather Company generously loaned its projector, and Mrs. Stephen Johnson was the operator.

We want to thank Mr. Arthur Smith, Mrs. Priscilla Putnam, Mr. Ralph Gregory, Mr. Richard Bean, Mr. Fred Gately, and Cortland Putnam for providing transportation for the several excursions which included a fishing trip to Fullum Pond, where they were guests of Mr. Leavitt and Mrs. Bound.

Mrs. Oliver Prentice very generously gave the use of her bus for a trip to Boston. The children saw a Red Sox ball game, visited Franklin Park Zoo, and rode the Swan Boats.

The program was successful because of the good sportsmanship of the children and the cooperation of the parents with the directors.

Reservoir Capacity.....	550,000 Gallons

A comparison of the above statistics with those of previous years will show a steady increase in the number of users and the resultant increase in the average daily consumption.

The increase in demand has created a situation which must be given serious consideration. With this in mind we have consulted the concern which installed our present well to determine whether or not it would be advisable to increase our pumping capacity, or to construct an additional well.

From the information obtained we are of the opinion that the proper solution would be to construct a new well to supplement our present supply.

During the early part of the year the Warwick Road and Ashuelot extensions were completed at a cost of \$7,057. As a matter of explanation, the difference between this figure and the figure shown on the Financial Report as received from the Town for extensions represents the retained percentage on the previous years extensions which was paid in 1954.

An amount of \$6,000 taken from accumulated funds of the Department has been turned over to the Trustees of Trust Funds for the purpose of setting up a Capital Reserve Fund.

As required, water samples are submitted monthly for analysis by the State Department of Health. These reports continue to show the water to be of exceptional quality.

## AUDITOR'S REPORT

---

Board of Selectmen  
Winchester, New Hampshire

Gentlemen:

The Auditors are pleased to submit herewith the report of their audit and examination of the accounts of the Town of Winchester for the fiscal year ending December 31, 1954.

The audit included the accounts of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Department, Forest Fire Department, Overseer of Poor, Library Treasurer Trustees of Trust Funds, Municipal Court, and Summer Playground.

Vouchers and cancelled checks were compared with supporting invoices and payrolls, as well as entries in the books of record, to determine whether all payments had been properly authorized and were in settlement of legitimate accounts.

Receipts were checked by source insofar as possible to determine whether all revenues to which the Town was entitled had been collected and turned into the Treasury.

Book balances at the close of the year were verified by comparison with Bank statements and uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers as indicated by the collector's records.

The accounts of all Town officials which we examined, were found to be in very good condition. What few minor corrections we found have been taken care of by the officers concerned.

We find that the Tax Collector has over-remitted to the Treasurer as follows: 1954 Property taxes, \$4.21; 1953 Property Taxes, \$128.18; 1953 Poll taxes, \$8.00; 1952 Head Taxes, \$5.00; and 1952 unredeemed taxes, \$15.00, making a total of \$160.39. The Collector has Cash on hand of \$4.00 on 1954 Poll taxes.

The long term notes to cover the 1954 Water Extensions were issued repayable \$1,200 annually, whereas the vote at the 1954 Town Meeting was to repay \$1,200 on each extension or a total of \$2,400 each year.

Total over-drafts for the year amounted to \$14,094.44, less unexpended balances of appropriations of \$6,693.69, leaving a net over-draft of \$7,400.75. This does not include any receipts or reimbursements which have been applied to certain appropriations.

We wish to extend our thanks to the officials of the Town of Winchester for their assistance and cooperation during the course of the Audit.

Respectfully submitted,

ARNOLD B. CONWAY  
DONALD C. MANNING  
MARGARET R. O'CONNOR

The industrial arts department offers a varied curriculum including the following:

During the freshmen year a complete study is made of power tools and how to use them.

The second year the students are required to take mechanical drawing, which is very necessary for a well-rounded shop program.

The third and fourth year of shop, a choice of five courses is offered: advanced electricity, mechanical drawing, auto mechanics, metal work and advanced wood working.

The courses offered in the seventh and eighth grades are the use of hand tools and wood working in the seventh and wood working and elementary electricity in the eighth grade.

Plans are in the making for a finishing room and an enclosed tool room. This will be built by the shop classes under the supervision of Mr. Janson.

New equipment and tools are still being added. The shop program is much facilitated by the purchase of a thickness planer and also new electrical equipment for the new electrical course.

The music department continues to show a great deal of progress under the directorship of Mr. Coogan.

A very impressive program was given by the music group at Christmas time, and they are now at work preparing for a spring operetta.

The band took part in the Teachers' Convention parade in Manchester, New Hampshire, last fall.

The music department has purchased a new trumpet out of the music fund.

Steps are being taken through the help of the Band Booster Club to purchase a color guard for the band.

Mr. Coogan has organized three classes of instrumental work: clarinet, drums, and trumpets. There are thirty-eight members in these beginning classes.

The seventh and eighth grades are having their regular vocal classes once each week.

There are eighty members in the high school chorus, and approximately one third of these are boys.

The following have been chosen for All-State organizations:

#### ALL-STATE CHORUS

Carolyn Grenda	Raymond Lawrence
Donna McNamara	Richard Whippie
Beverly Herman	Raymond Nash
Geraldine Jutras	Edward Flory

#### ALL-STATE BAND

Carolyn Grenda - <i>Saxophone</i>

The commercial department offers courses to pupils who wish to continue in business college or in the field of business. Several are placed in various positions in this area as a result of their training in this course.

The school paper, published three times each year, is one of the important projects of this department. The maintaining of the school library and the keeping of school finance records are some of the other duties.

Some new equipment has been added and more is needed, to be in keeping with the demand for this subject.

Present statistics show a definite shortage of mathematicians and scientists in our country, which could be disastrous in these critical times. Accordingly, the national trend is to guide the greatest number of capable students into that field and afterwards give them the best possible training. I feel our lengthening of the high school mathematics course from three to four years is a positive step in that direction.

In the English department the instruction has followed the same general practices as in recent years. Much time has been spent on essay writing, debating, dramatics, public speaking, and parliamentary practice.

It is a matter of satisfaction that our three 1954 graduates who matriculated at the University of New Hampshire last fall were well enough prepared to pass successfully their English placement test so that they were entitled to enroll in regular first-year English classes without carrying additional non-credit courses.

About one third of the time allotted to history is devoted to current problems and events from the seventh through the twelfth grades. The results are gratifying, both in comprehension at grade level, and in general interest shown outside specific assignments. We believe this training is all-important for the future guardians of our democratic way of life.

Jo-An Manning, senior was selected to represent our school in the D. A. R. good citizenship contest. Raymond Nash, senior, is preparing himself to represent his class in a contest sponsored by the American Legion. This consists of a ten-minute oration on some phase of the Constitution, and an extemporaneous speech of five minutes' duration, on a related subject drawn at the time of the contest. The training for the public speaking will be done in cooperation with the English department.

As a matter of record a summary of the 1954 commencement program and a list of graduates follows:

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the School Board and Citizens of Winchester:*

I have the honor to submit my eighth annual report.

**TEACHERS:** When schools opened in September, there were four new teachers at Thayer High School and one new teacher at the Community Center. There were no changes at the Center and Ashuelot Schools.

Upon the resignation of Mrs. Clementine C. Cloutier, Mrs. Beverley A. Slocum, a graduate of Keene Teachers College, was elected to the Home Economics position at the high school.

Mr. Richard C. Janson replaced Mr. Harold Thomas, Jr., as teacher of Industrial Arts. Mr. Thomas resigned to accept a similar position in Needham, Massachusetts. Mr. Janson is a graduate of Keene Teachers College.

Mr. Philip E. Pratt, a graduate of the University of New Hampshire, is the new teacher of Mathematics and Physical Science at Thayer High School. He replaced Mr. Philip S. Hyde, Jr., who resigned to accept a similar position in Manchester, Connecticut.

When Mr. William C. Heck resigned as supervisor of music, Winchester was fortunate to secure the services of Mr. Arthur T. Coogan of Keene, a teacher of many years of experience. Mr. Heck, after four successful years in Winchester, is now teaching in Theresa, New York.

Miss Marion E. Moffitt, a graduate of Keene Teachers College, was engaged to teach a division of grade two at the Community Center. She replaced Mrs. Dorothy E. Aldrich who resigned.

#### BUILDINGS AND GROUNDS:

**Center School.** During the summer, Mr. Alton W. Horton, custodian, painted the lower and upper hallways and also the stair wells. He sanded and refinished the floors in the upper hall and in the second grade room. The pupil desks and chairs in the latter room were fastened to skids instead of being permanently affixed to the floor. New stair treads have been installed in the north stairway. During the Christmas vacation, the old incandescent lights in the fifth grade room were replaced by new fluorescent fixtures. This was in keeping with recommendations from the State Health Department that the artificial lighting in the Center School was inadequate and should be brought up to desirable standards. The Winchester School Board is attempting to remedy the situation by gradual replacement.

**Thayer High School.** Mr. Clifford E. Monroe, custodian, sealed and waxed all floors during the summer. The girls' cloak room, the ceiling, walls and floor of the kitchen and downstairs corridor, the floors of the music room and laboratory were all painted. Upon recommendation of the State Health Department, Mr. Monroe covered six cafeteria tables with a plastic material trimmed with metal edging. The same material was applied to the shelving in the cafeteria.

**Ashuelot School.** Our new custodian at the Ashuelot School, Mr. Frank M. Freeman, is to be commended for reconditioning the school during the summer months. All cracks and holes in the plaster were filled. Mr. Freeman painted two classrooms and the cafeteria. This included walls and ceilings, and the silvering of the light fixture hangings and the steam pipes and radiators. The corridors and stairways were painted. The stairways to the boys' and girls' basements were painted as well as the basement floors and walls. All floors were sealed and waxed.

Our school buildings are at present in much better condition than they have been in a long time. The Winchester School Board is to be congratulated upon its endeavor to maintain Winchester schools in as good a condition as possible.

1959-60	36	41	28	36	40	43	224

A study of the above tables would indicate that our housing facilities are quite adequate for the foreseeable future. The wisdom of the district in voting for the addition to Thayer High School is becoming increasingly apparent. A comparison of the September enrollment in last year's report with that of this year shows an increase of 21 pupils at the high school.

MISCELLANEOUS: The instruction of handwriting in Supervisory Union No. 25 has been lacking in uniformity for some time. Expert supervision in this important tool subject has been deficient. Consequently, the four school districts of Hinsdale, Richmond, Swanzey and Winchester engaged the services of the Rinehart Handwriting System for the elementary grades. Improvement in the writing of the pupils is already noteworthy.

The state legislature will soon be considering various plans for state aid to education. It is to the advantage of Winchester that its representatives press for increased state aid. School costs are not going to decrease. In fact, they are increasing all over the country. The property tax is heavily burdened and approaching the saturation point. The New Hampshire Social Welfare Council has advocated a state aid program totaling \$3,250,000 annually. The New Hampshire School Boards Association has passed a resolution endorsing this proposal. Winchester will benefit from such a state aid program. It is to be hoped that the legislature will see the need for it and vote accordingly.

In conclusion, I wish to express my appreciation to the teachers and parents, the School Board and to the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES
